

GENERAL DRESS REHEARSAL INFORMATION

Tuesday May 27th is Dress Rehearsal for BOTH shows @ Cactus Shadows Performing Arts Center. All performers need to arrive stage ready in full make-up, hair and in costume 30 minutes prior to scheduled rehearsal time. We WILL NOT hold up the rehearsal if your dancer isn't there for their allotted time(s).

When you arrive at Cactus Shadows Performing Arts Center with your dancers, we ask that you bring them directly into the theatre. Your dancer will sit with the rest of their class in the audience, until it is their time to rehearse. We will call each class onstage to rehearse their dance(s) at their allotted times. All dancers participating in recitals are also a part of the closing show dance. Make sure your dancer(s) are in attendance for the closing show rehearsal. Those times are listed on the dress rehearsal schedule under, "Closing Show Rehearsal".
